

Lea Zoe Pfaffeneder

PSYCHOLOGIST (M.SC.) · PSYCHOLOGICAL COUNSELLING

MY APPROACH

“What matters is not what has been made of us, but what we make of what has been made of us.”

— Jean-Paul Sartre

It matters to me to see you as a whole person – with your story, your patterns and, above all, your resources. I'd be glad to walk part of your path with you.

45 € / 50 minutes

No-obligation first session · online, across Germany
